Outlet #	Acres	Crop	Acre Feet needed

*Additional room on the reverse for more outlets

Total Acres applied for _____ **Total Acre Feet needed for 2025** _____

The Board of Directors have set the 2025 water rate at \$49.30 per AF. Our new water year starts March 1st, 2025. Applications must be turned in before water is used. Water will be paid for in multiple installments this water year. The 1st half is due with the water application by April 30th, 2025. The remainder of the balance due will be billed monthly as used. (*Reminder our water year is from March 1st 2025 thru February 28th 2026) There will be no refunds or credits for unused water. There will be no water delivered to a property that has a delinquent account

_____ **Total A.F. Needed X \$49.30 divided by 2 =** _____ **Per Installment**

The undersigned hereby jointly and severally apply to the ORLAND-ARTOIS WATER DISTRICT for agricultural water for irrigation of the above-described lands. Water service to the above parcels of land is to be provided subject to the "Rules and Regulations for Agricultural Water Service".
