Total Acres applied for _____ **Total Acre Feet needed for 2024** _____

The Board of Directors have set the 2024 water rate at \$51.00 per AF. Water will be paid for in two installments this water year. The 1st half is due with the water application by April 30th 2024 or before water is used. The second water installment/remaining balance will be due July 1st, 2024. (*Reminder our water year is from March 1st 2024 thru February 28th 2025) There will be no refunds or credits for unused water. There will be no water delivered to property that has a delinquent account.

_____ **Total A.F. Needed X \$51.00 divided by 2 =** _____ **Per Installment**

The undersigned hereby jointly and severally apply to the ORLAND-ARTOIS WATER DISTRICT for agricultural water for irrigation of the above-described lands. Water service to the above parcels of land is to be provided subject to the "Rules and Regulations for Agricultural Water Service".
